Docket No. 98N-1265
Food and Drug Administration MAR 18 10:37

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I want to make my objection
known concerning the proposed MOU
specifically the definition of "inordinate amount"
limiting the amount of prescriptions that are allowed
to be shipped out of state. This would significantly
and drastically affect my quality of life. Without
compounded prescriptions, I would not be able to
live because of the severe symptoms
I encounter as a result of hormone deficiencies
and allergic reactions to traditional medications.
